

Looking forward to seeing you this Friday at our Fall Luncheon!

Many LLI members are planning to attend, which means, of course, that we need to plan ahead for parking. If possible car-pool with others, or perhaps plan a nice hike across campus from one of the other lots.

Our Member Services Committee worked with Bard Security on parking for our luncheon, and Bard has reserved the 11 spaces in the circle at the west end of the Campus Center on this Friday for those with NYS Disability Access tags. We thank Bard Security for doing that for us, but it is still very tight, so car-pool for those spots if at all possible.

To accommodate more members at the luncheon and make it easier to socialize with our fellow members, there will be no tables. Chairs will be available for the featured speaker's presentation and for sitting to talk with other LLI members. Irene Esposito and the Hospitality Committee have worked with Chartwells to come up with a menu of easy-to-eat, delicious food for our buffet.

Thanks to Gene Burns for finding our speaker, Dr. Joshua Ginsberg, President of the Cary Institute of Ecosystem Studies.

The Multipurpose Room will be closed until 11:30. Registration tables will be set up outside the room for us to check in. Please wear your name tag, which will facilitate sign-in. After the luncheon, be sure to stop by Ball Lounge (off the corridor to the Multipurpose Room) to see the LLI Member Art Show. The Lounge will be closed before the luncheon while Chartwells sets up our luncheon service.

Thank you,
Anne Sunners,
Chair, Curricular and Special Programs
